Re: Emery Deep Mine Permit C/015/015
4 th East pond 9 culvert Citation #10056 abatement, task id 3586, clean copies

Dear Mr. Haddock:

Per the Divisions conditional approval, dated 07/12/2010, please consider this a clean copy submittal.

Although there are no DOGM regulations requiring that all culverts be labeled, Consol is submitting this Plate with the culvert to pond 9 labeled on the map.

Enclosed please find four (4) copies for your review and executed C1 and C2 forms. A cd with the submittal in pdf format is enclosed.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth
Environmental Engineer
